

Professional High Power LED Flood Lighting

LFL-G2 Series: LED flood lighting with U-shape bracket in 240W, 360W, 480W, 720W & 960W

ENSA™ LFL-G2 Series LED flood lights are a flexible range of large scale lighting solutions. These high power lights feature dual bracket & light tilt adjustment for a smooth installation process, and are ideal in sports lighting applications and in large outdoor production and carpark facilities.

LFL-G Series flood lights are incredibly reliable with a rated lifespan up to 100,000 hours, and have versatile dimming options with both DALI and DMX control standards.

- High performance 160lm/W LED lighting efficiency
- Incredible light output at up to 153,600 lumens
- Wide 60° x 100° beam angle, ideal for high installs
- 90° LED module tilt and 180° adjustable U-bracket
- High performance, long lifespan 5050 SMD LED package
- Optional dimming controlled via DALI & DMX standards
- Independent power box with efficient heat dissipation
- IP67 weather rated and IK10 vandal resistance

Series Specifications

Model	LFL-G240-C2	LFL-G360-C2	LFL-G480-C2	LFL-G720-C2	LFL-G960-C2																																											
Product Image																																																
Series Name	LFL-G2 Series LED Flood Lights																																															
Optical																																																
Luminous Flux	38,400lm	51,200lm	76,800lm	115,200lm	153,600lm																																											
Luminous Efficacy	160lm/W																																															
LED Package	5050 SMD LEDs (120pcs/module)																																															
Colour Temperature	5000K cool white																																															
Colour Rendering Index	> 80																																															
Beam Angle	60° x 100°																																															
Rated LED Lifespan	100,000 hours																																															
Electrical																																																
Power Consumption	240W	360W	480W	720W	960W																																											
Input Voltage	100 ~ 277VAC																																															
Power Factor	> 0.95																																															
Dimming Technology	DALI / DMX (optional)																																															
General																																																
Ingress Protection	IP67																																															
Vandal Protection	IK10																																															
Driver Package	Meanwell LED driver, 3-pin AC plug																																															
Reflector / Diffuser	Polycarbonate lens																																															
Housing Adjustments	90° light tilt, 180° U-bracket tilt																																															
Operating Environment	-20° ~ 55°C																																															
Dimensions (without bracket)	460 x 230 x 75mm	690 x 230 x 75mm	460 x 460 x 75mm	690 x 460 x 75mm	690 x 690 x 75mm																																											
Net Weight	12.5kg	14.5kg	18kg	24.5kg	35.5kg																																											
Photometry
